

6TH MUNICH LIFE SCIENCE PITCH

Sept 30, 2021

APPLY UNTIL September 10, 2021

Apply now and present your technology to leading life science investors and corporate decision makers.

Please apply via email to lifescience-pitchday@htgf.de until September 10, 2021 and kindly include a non-confidential executive summary or presentation of your start-up or project that you are looking to spin-out of your research organisation.

The event is free of charge, however, registration is mandatory as space is limited. The Munich Life Science Pitch Day will be held as a face2face event. Please comply with the 3G rules.
