

# IZBrunch

Science meets Science

NETWORK-  
EVENT IM IZB

Thursday, November 24, 2022 | 10.45 to 13.00 Uhr

*Welcome / Moderation*

**Dr. Peter Hanns Zobel**, *Managing Director of the IZB*

**Topic:** News from the IZB

*Speaker*

**Prof. Elena Conti**

*Director Max Planck Institute for Biochemistry*

**Topic:** Should it stay or should go: RNA recognition by cellular RNA-degradation machineries

The regulation of gene expression is of fundamental importance to all living organisms and relies on the ability of cells to control the quality and quantity of their RNA repertoire. Eukaryotic cells have an extraordinarily large number of RNA molecules that have different functions. The group of Elena Conti uses biochemical and structural biology approaches to unravel the cellular control mechanisms that monitor and eliminate RNA molecules that are either no longer needed or are aberrant because of deleterious genomic mutations or errors in their production.

*Speaker*

**Dr. Moritz Völker-Albert**

*Managing Director EpiQMax*

**Topic:** Epigenetics as a molecular barometer for a healthy lifestyle

EpiQMax creates a unique and personalized health index based on epigenetic profiling. Based on this index, together with renowned partners, we develop individualized nutrition and exercise recommendations to motivate people for a healthy lifestyle and prevent chronic diseases.

**Location:**

Faculty Club G2B  
At the Klopferspitz 21  
82152 Planegg/Martinsried

**Registration:**

10.30 a.m. at the reception  
of the CAMPUS AT HOME

**Start of the event:**

11.00 a.m.

**Format:**

Face2Face event with keynote presentations (15 min.) plus Q&A followed by business lunch.

**Participants:**

The event is limited to 60 people.

**For Whom.**

Faculty Club members, directors and junior group leaders of Max Planck Institutes, LMU professors, managing directors and board members of IZB companies, and executives of the Martinsried/Großhadern campus.

**Declaration of consent:**

By participating in the IZBrunch, you agree that pictures and videos taken during the event may be used for promotional purposes, on the homepage and in the context of press relations.

➤ **Upcoming IZB Events:**

January 26, 2023

**IZBrunch**

February 16, 2023

**IZBrunch**

March 16, 2023

**Biotech PressLounge**

**Registration/Contact:**

**Susanne Simon**

*Head of Public Relations*
